Subject: Support for the Lynn Canal highway

I am writing to support continued funding for the Lynn Canal highway. As a 34 resident of Skagway I have experienced the positive impact of the Klondike highway on our town. The opportunity to have a stable and viable means of transportation linking Juneau and Skagway to the rest of Alaska and beyond would benefit all citizens of the state. The reconfigured Marine Highway schedule could better serve the rest of the more dependent communities of Southeast.

Thank you,

Carl Rose
